

MISSION 2020+

VISION

We will be known for God's love. At the heart of Anglicanism is the reality that God so loved all of creation as to give Christ Jesus for our salvation. By the grace of God and by the power of the Holy Spirit we are called to share in this love. In this new season our vision for the Anglican Diocese of Perth is that we would be a beacon of God's love in our communities- **loving one another as we seek first the Kingdom of God.**
